PARK JOB WINS LIONS PRAISE AT CASHTOWN

Members of the Cashtown Lions Club were formally praised by their president, Daniel J. Wolff, Tuesday evening, for their work since June 15 in the construction of a community park on Marsh Creek about a mile west of Cashtown along new Route 30. The talk by Wolff took place at a meeting of the Lions at their park.

Wolff said the first formal use of the park by a group other than the Lions will take place September 9 when the Flohr's Luther League will be at the park for an afternoon and evening session. He added that small family groups have been using the park throughout the summer without going to the formality of signing the log book at Bream's Store in Cashtown.

The club asks those planning to use the park to sign the log at the store so there will be no duplication of parties present and so the users can be given copies of the rules and regulations of the park which were formally adopted at Tuesday evening's meeting.

CITES PARK WORKERS

President Wolff praised Glenn Herring for installing the electrical work in connection with the lighting of the park and the pavilion; Floyd Hess, stone mason, for construction of a stone fireplace at the pavilion, and David Sharrah, son of Mr. and Mrs. Stanley Sharrah, who served as the "mud mixer" and first assistant to Hess. The Sharrah boy was a special guest of the Lions at the meeting Tuesday.

Victor Re was thanked for his use of a backhoe for construction of footers; Harry Biesecker for truck and tractor use; Stanley Sharrah and Chauncey Blizard for work as "boss carpenters" and Crowley Bucher, John Kunkle and Clyde Topper for work as "assistant carpenters." Harold Sharpe, Stanley Cressler, Irvin Keyser and William Baker were praised for their work in setting the poles for the pavilion and Apollon Trembow was termed the "professional nail picker" for removing wire, nails, etc., from the poles. Chain saw operation by Jacob Bream was praised as was wheelbarrow operation of William Kane, Willie Berchem and William Stansbury. John Brehm had charge of brush burning. John Bream Sr. was praised for providing ice water throughout the period of work.

Man Survives Year After Being Cut In Half To Get Rid Of Cancerous Section

NEW YORK (AP)—A man cut in half to get rid of the paralyzed, cancer-stricken lower part of his body has survived for one year and is on the road to what may become a useful life.

Surgeons at the University of Minnesota Hospitals, where the operation was performed to remove the legs and pelvis, believe it is the first of its kind in which a patient has survived for any length of time.

The backbone was severed at the level of the navel, but no vital organs or intestine were removed, doctors said.

The normal outlets for waste materials had to be relocated, and the patient continues to have a catheter or tube in his bladder.

10 IN OPERATION

Six surgeons, three nurses and one anesthesiologist took part in the operation.

The amazing case was presented in a report to the American Congress of Physical Medicine and Rehabilitation meeting here.

\$265 DAMAGES IN 2 SEPARATE CAR ACCIDENTS

Damages totaled \$265 in two auto accidents investigated by borough police this morning.

At 9:30 o'clock, according to the officers, station wagons operated by Al E. Burnstine, 69, of York, and James C. Hess, 34, of 331 York St., collided at the intersection of S. Stratton and E. Middle Sts.

Police said Burnstine, driving a vehicle owned by Dutch Master Cigar Co., Philadelphia, headed north on S. Stratton St., slowed for the stop sign and then drove into the intersection.

The right front fender and bumper of the Burnstine vehicle hit the left front and door of the Hess station wagon which was westbound on E. Middle St. Damage was estimated at \$35 to the Burnstine station wagon and \$150 to Hess' vehicle.

WILL FILE CHARGE

Borough police said they will bring a charge of failing to stop at a stop sign against Burnstine before Justice of the Peace Anna Thompson.

The other accident occurred at 9:20 o'clock this morning when John Wisotzky, Gettysburg R. 6, driving a Hennig's Bakery truck, was backing out of a parking space on Lincoln Square.

Police said F. L. Mehning, 85, Gettysburg R. 6, at that moment drove his car into the adjoining parking space and the bumper of the truck caught the right side of the car doing \$80 damage to the auto. There was no damage to the truck.

There were no injuries in either accident.

MYERS TO BE NEW CARRIER ON ROUTE 6

Acting Postmaster Charles W. Pentz announced today the appointment of Adams J. Myers, 42, 408 Long Lane, as the new rural carrier on Route 6 out of the Gettysburg office, effective on Saturday.

Myers, who has been a postal employee since October 16, 1953, has been a substitute city carrier since his appointment during the administration of the late Lawrence E. Oyler as postmaster.

Route 6, which was created from parts of other routes when the number of rural routes out of the local office was boosted from five to six on February 18, 1961, covers 35.85 miles and serves 416 families.

WORLD WAR II VET

It has been served for the last year and a half by John H. Weaver, Gettysburg R. 5, a substitute rural carrier.

Myers is a 1936 graduate of Gettysburg High School and is a World War II veteran. He served four years with the 93rd Division band and saw seven months of duty in the Pacific theater. He was employed at the Hotel Gettysburg, Letterkenny Ordnance Depot and the Mechanicsburg Naval Depot before entering the postal service.

He qualified for the rural carrier appointment on a competitive examination taken in July of last year.

No changes in carriers on other rural routes were made. All are served presently by regular rural carriers. Mr. Weaver was the only substitute on the current list.

Name Cochairmen For Savings Bonds

Henry E. Waltman, assistant treasurer, the Littlestown Hardware and Foundry, Inc., and Colonel Edwin H. Johnson, U. S. Army (retired), R. 2, have been named co-payroll savings chairmen of the Adams County committee for U. S. Savings Bonds, according to Wilbur A. Bankert, county chairman.

In their capacity as volunteers in the savings bonds program, Waltman and Colonel Johnson will help to persuade employers in the county to expand the use of the payroll savings plan among their employees. To do this, they are asked to install the plan if it is not in operation, and to conduct company-wide person-to-person canvasses to develop maximum participation.

The payroll savings plan is a system by which an employer can authorize his employer to allocate a certain amount of his pay check to apply toward the purchase of a Series E Savings Bond.

BUS ROUTES IN STRABAN TWP. ARE REPORTED

The following school bus routes will be operated by Straban Township during the 1962-63 school year. All buses will leave their starting point at 7:30 a.m. The afternoon return trip will start at 3:30 p.m. beginning the first day of school, Wednesday, September 5.

Forest Fires Burn 30,000 Acres, Gene Autry's Ranch, Force 800 Patients To Flee

By DORIS KLEIN

LOS ANGELES (AP)—Five brush and timber fires—the scourge of summer—raged across California mountains today after burning hospital buildings, oil storage tanks and a cowboy actor's famous ranch.

More than 30,000 acres were blackened. In the north, vacationers fled resort areas. In the south, 800 patients were evacuated from a sanitarium. Flames advanced on two vital Nike missile sites. A powder works containing an estimated 100 tons of explosives was barely saved by firemen.

Flames licked to within 10 feet of the explosives plant.

2 START IN HOUR

The Southern California blazes, 15 miles apart, broke out within an hour of each other Tuesday, 40 miles northwest of downtown Los Angeles.

Los Angeles County Fire Chief Keith Klingler said the fires were the worst in the county since the

disastrous Bel Air-Brentwood fire last November, 15 miles to the southwest across the San Fernando Valley.

One fire swept over the San Gabriel Mountains into the San Fernando Valley, destroying an infirmary on the grounds of Olive View Sanitarium in Sylmar.

A fleet of ambulances, buses and cars evacuated 800 patients, most of them tuberculosis victims.

SOME UNCONSCIOUS

Some patients, rushed from surgery, still were unconscious, bottles of blood plasma suspended above their stretchers.

A Veterans Administration hospital two miles to the east also was threatened, but none of the 400 patients had to be evacuated.

One of the blazes threatened populous San Fernando Valley briefly. Earlier, it destroyed 75 per cent of cowboy actor Gene Autry's famed Melody Ranch. Autry had shot scores of television

CONNERS JURY PANEL FILLED IN FRAUD CASE

Five persons were selected Tuesday afternoon to fill out the panel for a jury scheduled to hear the trial of two charges of cheating by false pretense against James A. Connors, Carlisle advertising salesman.

The trial will start next Tuesday. Nine jurors were named during the morning session Tuesday, while the additional three to make the 12-member jury, plus two alternates, were selected during the afternoon.

The five, with the last two named being alternates, are John Q. Adams, Gettysburg R. 4; William Weidner, York Springs; Irvin Baker, East Berlin R. 2; Grace Bushman, Arendtsville, and T. C. Goss, Orrtanna R. D.

CHARGES BROUGHT

The charges were brought against Connors by Paul W. Wolf, York Springs garage and bus operator, and Alford L. Shull, Latimore Twp. service station owner. The charges stem from the sale of advertising for a telephone book cover.

Miss Marian Furman, Carlisle, and Attorney Donald G. Oyler, Gettysburg, represented Connors for the selection of the jury. It marked the first time in a number of years that the formal procedure of jury selection—having each juror in turn take the witness stand for examination by the attorneys for selection or rejection—was conducted. Twenty-nine jurors were called to the stand before 14 were selected.

With the completion of the jury at 2:23 o'clock Tuesday afternoon court adjourned until 9:30 o'clock Thursday morning when trial of Attorney Walter H. Katherman Jr., Littlestown R. 1, on a charge of fraudulent conversion, will begin before the court without a jury.

Fears Fearful Death Toll On State Highways

HARRISBURG (AP)—Gov. Lawrence raised today the grim spectre of death on the highways as a warning to motorists to drive carefully over Labor Day weekend.

"There is every indication that this could be one of the worst holiday weekends on record as far as traffic fatalities are concerned," Lawrence told his weekly news conference.

"The only person who can prevent an accident, of course, is the individual driver himself."

The governor noted that this will be the only long weekend holiday of the summer. Earlier summer holidays came in mid-week. This will attract millions of cars onto the roads, he said. For its part, the state will try to cope with the threat of death and injury on the highway, Lawrence said, by putting on patrol the full force of state police, with 30 radar units working, by spot checks at Pennsylvania turnpike interchanges for unsafe vehicles and drivers, and by putting on the road all 11 of the state's "speedminder" vehicles, automobiles with a huge speedometer mounted on the roof.

Even those not of legal age may vote if they are in charge of the supervision and conduct of the farming operations of an entire farm.

Storm Lashes Cameron, La., Killing Two, Injuring 30; 500 Died In 1957 Blow

By JAMES A. BOURDIER

CAMERON, La. (AP)—A howling tornado struck this Louisiana coastal town late Tuesday night, causing at least two fatalities. Authorities say the death toll may go higher.

Sheriff's deputies formed search parties to roam through debris, although heavy rains hampered rescue operations.

At least 50 persons were reported injured.

STREETS FLOODED

Streets in Cameron—where ne 500 persons died in a 1957 hurricane—were flooded. The water was as high as the floorboard of a car, but had stopped rising early today.

Nearly eight inches of rain fell on Cameron within a six-hour period.

FATAL HEART ATTACK

Cameron, which has a population of about 2,500, is on the marshy Gulf Coast in extreme southwest Louisiana.

A man identified as Harold

Stewart suffered a fatal heart attack shortly after being evacuated from his home to the Cameron Parish Courthouse. An unidentified woman was killed and deputies said a child may have been killed when the whirling 30-mile winds flipped over a house.

Some low-lying sections of Lake Charles—40 miles north of here—were under water.

A tornado alert for the entire southwestern Louisiana area expired at 5 a.m. with no additional reports of twisters.

JAM COURTHOUSE

An estimated 1,200 persons were jammed in the courthouse—tallest building in Cameron. Many had minor injuries. Civil Defense and Red Cross units sent cots and blankets for the refugees.

A sleepy 9-year-old boy was curled up in the judge's chair in the courtroom at daybreak. Women sat in the jury box, clutching small children.

"This was worse than Audrey," one refugee told John Scott, news

COUNTIANS TO TAKE PART IN WAR PAGEANTS

Further plans for an observance at Cashtown October 16 of the 100th anniversary of Stuart's Raid there, and plans for participation in the Antietam centennial observance next month were discussed at Tuesday evening's meeting of the Adams County Civil War Centennial Commission at the courthouse.

A script for the October 16 program, sponsored by the Cashtown Lions, was read, and Lt. Col. Corvan Bryan, O. G. MacPherson and Clayton Jester were appointed a committee to make a number of arrangements for the affair in which the Centennial Commission is cooperating with the Lions.

MAKE COSTUMES
Mrs. Roy W. Gifford reported that Mrs. Hope Morgan is handling arrangements for women's costumes to be worn October 16 and that a number of the ladies in the Cashtown area are making their own costumes and bonnets for the pageant.

Mrs. Gifford will represent the county at an Antietam Ladies' Day September 8, held as part of the 18-day program marking the centennial of Antietam and the bicentennial of Hagerstown. She said Mrs. Patrick Duffy and Mrs. W. J. Coleman Jr. of the Antietam Centennial Commission had met with her Tuesday to make plans for her attendance at the program September 8 and to make tentative arrangements for a number of Adams Countians to appear in costume at a presentation of "Hills of Glory," the spectacular to be held 12 nights of the anniversary observance.

Most members of the commission also made plans to attend the re-enactment to be held at Antietam September 15 and 16 and the skirmish to be held September 10 at South Mountain as part of the observance.

Friday Final Day For Tax Appeals

The Adams County commissioners at their meeting in the courthouse today reminded countians that Friday is the last day to arrange for appeals from assessments.

So far, the commissioners said, only eight requests for appeals have been made. Under the law all requests must be made by the last day of August and appeals are then heard by the commissioners in September.

Seeding and filling of the lawn at the county home was authorized and the commissioners decided that a sidewalk will be placed from the county home to join the sidewalk at the edge of the borough on Carlisle St. No immediate action was taken to seek bids for the work with the commissioners uncertain just how quickly they will proceed with the construction.

This afternoon a review of the renovation work on the courthouse is scheduled, with all of the contractors involved asked to meet with the commissioners.

BULLETIN

ALGIERS (AP)—Four of Algeria's six guerrilla commands and the regular army's general staff were lined up today in support of Deputy Premier Ahmed Ben Bella's bid for control of the new nation.

The military leaders left up to Ben Bella's Political Bureau the decision of whether to use force to quell the rebellious guerrilla commands in Algiers and the Kabylie Mountains. This apparently ruled out an immediate armed showdown since the bureau members previously voiced opposition to any fratricidal military clash.

Leaders on both sides were reported fearful of the consequences of civil war in the nation rocked by continual crisis since it gained independence eight weeks ago.

The Moslem population, weary after seven and a half years of civil war and terrorism, strongly opposes new bloodshed.

MURPHY DENIES ESTES FAVORS FROM AG DEPT.

WASHINGTON (AP)—Undersecretary of Agriculture Charles S. Murphy said today the decisions he made in the Billie Sol Estes case were based on a belief that all citizens—including the Texas promoter—should get what they are legally entitled to—no more and no less.

In the final analysis, the department's No. 2 man said, Estes was able to "gain nothing by all his twisting and turning with the Department of Agriculture."

"In our dealings with Estes, we exhibited no favoritism—only the fairness and justice every American has a right to expect in dealing with his government," he said.

PREPARED STATEMENT
Murphy made these contentions in a 29-page statement prepared for the Senate Investigations subcommittee which is seeking to determine whether Estes got favored treatment through political influence in connection with big cotton planting allotments under a department control program.

Committee Chairman John L. C. Clellan, D-Ark., has charged that someone of high department rank—either Secretary of Agriculture Orville L. Freeman or Murphy—must have been behind the suspension last Jan. 6 of orders cancelling Estes' 1961 cotton allotments.

Murphy said he had approved cancellation of these allotments—obtained in transfer deals from other farmers—on Dec. 22, 1961.

SECOND LOOK
But, he said, he ordered a "second look" at the cancellation order in January at the request of Sen. Ralph Yarborough, D-Tex., and Rep. J. T. Rutherford, D-Tex., as well as at the request of Estes and his lawyer.

Murphy said this second look strengthened the department's position for a possible court fight over the allotments and that in no way did it reverse the department's basic position that Estes was not entitled to the allotments.

The undersecretary said that except for two crates of cantaloupes, he had received no gifts, or other benefits from Estes. He said that after he received the melons, h wrote Estes thanking him but asked that he send no more because of the administration's "strengthened policy" against acceptance of gifts by government officials.

Hong Kong Border Is Closed By Blast

HONG KONG (AP)—Red China closed its border with Hong Kong today minutes after a bomb exploded on the Chinese side of the border station at Shumchun.

The British closed off their side of the border immediately after the explosion. The blast was the seventh in a series of blasts that have rocked border stations facing Hong Kong and the nearby Portuguese colony of Macao in recent weeks.

Observers believe the explosions are the work of an organized anti-Communist terrorist movement taking shape in Red China's coastal province of Kwangtung.

Reservations in September 20. The Annunciation Parish Council, McSherrystown, is the hostess parish this year, and will be in charge of favors, decorations, etc. There will be a program of music only following the dinner and, instead of a speaker, the institute will be held.

It was also decided to have an evening mass at Conewago Chapel at 6:15 p.m., preceding the dinner, in honor of and for the intentions of the Rt. Rev. Msgr. Patrick F. McGee, who has been dean of the deanery for many years and who is observing his golden jubilee year as a priest. Mass will be celebrated by the Rt. Rev. Msgr. John Bolen.

The national convention will be held in Detroit on November 3-7. The president, Mrs. James Sneeringer, Gettysburg, will attend.

Dates for the annual Day of Recollection and pilgrimage to the tomb of Mother Seton will be set at the next board meeting. The first letter from the new diocesan president, Mrs. Eleanor Shields, was read by Mrs. Althoff and contained suggestions for deanery and parish presidents as well as an appeal for prayers and sacrifices for the success of the Ecumenical Council to open on October 11. Mrs. Shields advocated that "projects be selected carefully" and that "every woman in the diocese join with every other woman in the program of the council."

Mrs. Marilyn Weaver announced that she had been contacted by the Adams County Home officials regarding the possibility of someone in the deanery providing a foster home for an elderly woman. Anyone interested may contact Mrs. Weaver.

Following prayer, refreshments were served by the Littlestown board members.

JUDGE KEIM IS MENTIONED FOR HI COURT RACE

HARRISBURG (AP)—Speculation centered on Judge Earl S. Keim of Westmoreland County today as the Democratic State Committee gathered in Harrisburg to name its candidate for the State Supreme Court.

The 113-member committee was scheduled to go into special session at the mid-town American Legion Hall to select a candidate to oppose Republican Judge Samuel J. Roberts next November.

A number of names have popped up in the last few weeks, but that of Keim, 45, now serving a 10-year term on the Westmoreland County Common Pleas Court has stood out.

Others mentioned include President Judge Warren K. Hess of Berks County and Judge Clinton Budd Palmer of the Northampton County Common Pleas Court.

NAVY VETERAN

Judge Keim is a native of Youngwood, Pa., a law graduate of Duquesne University and a Navy veteran of World War II and the Korean conflict. He was appointed to the court in Westmoreland County on April 12, 1958, and elected to a full 10-year term the following year.

The Democratic candidate, whoever he may be, will run against Judge Roberts in a special election Nov. 6 to fill a vacancy created last May by the death of Justice Curtis Bok, a Philadelphia Democrat.

Justice Bok's death has left the court with an even political split of three Democrats and three Republicans. The November winner will begin his 21-year term in January.

INTERIM JUDGE

The Republican State Committee named Judge Roberts of Erie County as its candidate for the post earlier.

Meanwhile, Gov. Lawrence is still reported to be giving considerable thought to appointing an interim judge to serve on the court until January.

Some political observers feel the governor may wait until the Democratic committee has made its choice, then appoint that man to fill the vacancy.

These sources claim that such an action would strengthen the position of the Democratic candidate. Politicians traditionally feel that the incumbent always has some sort of advantage over the outsider trying to get "in."

Set \$5,000 Bail For Watermelon Shooter

PLEASANTVILLE, N.J. (AP)—Bail has been set at \$5,000 for a Farmington man accused of shooting and wounding two youths who allegedly raided his watermelon patch.

The bail was set in Egg Harbor Twp. court Tuesday night for James B. Collins, 63, pending action by the Atlantic County grand jury on a charge of atrocious assault and battery against Collins.

Collins is accused of the shotgun shooting of William Mosley, 14, of 111 Townsend St., Chester, Pa., and Eli Bradford, 15, of Steelmanville. They were admitted to Shore Memorial Hospital at Somers Point with buckshot wounds. The hospital reported their condition satisfactory.

State police said Collins told them he found the two in his watermelon patch Monday night. They said he told them he fired a shotgun toward the youths, intending to scare them rather than hit them.

Collins, Mosley and Bradford are Negroes.

BABY PARADE SEPTEMBER 1

HERSHEY, Pa. — Members of the fairer sex hold a considerable edge over their male counterparts in winning the "Cutest Baby" trophy at the baby parade of Hershey Sports Arena Saturday, September 1 at 2 p.m.

Records of Hershey Park show that, since 1936, the first year for the baby parade, young lassies have captured the trophy 19 times, while the lads emerged winners on six occasions. The parade was started at the request of the park's picnickers, and has since become one of the highlights of the season. There was no parade in 1941 because of an infantile paralysis scare. Average age of the "Cutest Baby" winners for the past 25 years has been 2.62 years. Contestants for this year's parade were reminded that no advance registration is necessary. Parents are requested to bring their children (under 5) to the rear entrance of the sports arena just prior to starting time and they will be issued a contest number.

Contestants will vie for merchandise prizes to be awarded in 12 categories, including Cutest Baby, Cutest Twins, Best Decorated Float, Second Best Decorated Float, Most Original Float, Best Fancy Costume, Second Best Fancy Costume, Most Original Costume, Second Most Original Costume, Best Comic Costume, and Second Best Comic Costume. In addition, the Cutest Baby winner will receive a huge trophy.

Other special merchandise prizes will also be awarded to children under 12 who have participated in the park's special kiddie-land ticket program this season. These prizes, which include two motorized go-carts, tricycles, bicycles and wagons, will be awarded at the conclusion of the baby parade. Participants need not be present to win.

STATE NEEDS HEAVY RAINS

HARRISBURG (AP)—Drought conditions continued to plague Pennsylvania farmers last week, despite some heavy rains over much of the state.

The State Crop Reporting Service said Tuesday a good rain still is needed to bring back soil conditions to near normal.

Soil conditions improved most in the east central area of the state, but even there more rain is needed, the service added in its weekly summary of crop conditions.

"Corn looks good in most areas despite the inadequate moisture," the report continued. "Farmers who had second or third alfalfa cuttings to harvest were favored with ideal haying weather. While pastures were turning green they still were providing below average seasonal requirements of roughage. New hay seedings were being made."

"Only a few fields of oats in the northern sections remained before completion of the small grain harvest. Fall plowing was three-fourths completed. Barley and winter wheat were being planted."

"Recent showers helped the tobacco crop in Lancaster County where the later plantings were showing rapid growth. Early plantings were being harvested."

MOSCOW (AP)—U.N. Acting Secretary-General U. Thant may reveal Thursday whether Premier Khrushchev will attend the U.N. General Assembly meeting which opens Sept. 18 in New York. Khrushchev and Thant lunched Tuesday at the Soviet leader's holiday villa on the Black Sea coast.

Sausage To Get Dignity: When you jab your fork into a big juicy sausage after September 1, you should remember that the Commonwealth of Pennsylvania officially has lent it dignity. Today's Talk

THE NEWS OF THE MIND

I would really much rather listen to my friend talk than talk myself, though I must confess this is not always the case!

It is so interesting to watch a mind unfold — much more interesting than the most intricately formed machine, for this mind even formed the machine.

Listening to a friend talk is like reading the news of the day in your newspaper. You get the news of that mind for that day, that hour, that moment.

The mind is so plastic. It absorbs in a more wonderful manner than any sponge or material substance. Even an unuttered thought may be absorbed by many friends, and influence the train of thoughts that may occur therefrom. We little realize the influence of our minds upon others.

A clean mind is such an inspiring thing. From such a mind you know that all the news that comes forth must be tinted with beauty, interest and enthusiasm. One can imagine the news that gushed forth when Thoreau and Emerson, for instance talked.

In reading many books over the years, I have read much between the lines. I have seen just a little of the life of the author — just a little of the news items that made the printed page, which I read, possible. In reading "The Private Papers of Henry Rycroft," for instance, by George Gissing, I always read the small foot-notes, and out-of-the-way items, that many readers, I feel quite sure, did not bother to read, because I had read so much into the life of the man.

Possible if we gave consideration to the fact that we were perhaps making up a regular newspaper out of our daily thoughts, to be broadcasted about the world, we would give forth very different items for reading!

Tomorrow Mr. Adams will talk on the subject: "What A Difference The Light Makes!"

Just Folks

THOUGHTS ON BEING TOO RICH

I see the foolish things some do.

I watch them play at toss and pitch

And wonder when the day is through

If that's the joy of being rich?

I gaze on men and women gay

With simple pleasures plainly bore,

And wonder would I act that way

If luxury I could afford?

I see men quarrel with their wives,

Sad actors in regretful scenes,

And strangely, this one thought survives:

Is this what having money means?

I've seen some worn and tried

Not frayed,

Turned slaves to snobbery and style.

And wondered at such shams

Mellon Rites Held: A private railroad coach — something he never owned in life — bore Andrew W. Mellon in death back to Pittsburgh, the city he loved. Public funeral services for the 82-year-old financier — the banker's son who founded a \$500,000,000 fortune — were set for today in a Presbyterian church Mellon millions built. Hundreds of the city's great and small stood in the aging Pennsylvania railroad station in the shadow of Mellon skyscrapers to meet the "Pittsburgher" carrying the special car in which the Mellon family rode from Southampton to the last of the older Mellons.

Dr. C. Harold Johnson has returned to Philadelphia to take up his work for the year as a resident physician in pathology at the Philadelphia General Hospital.

Woman's Law Effective: Ralph M. Baschore, secretary of Labor and Industry, called attention today to the fact that the new 44-hour workweek for women, which goes into effect Tuesday midnight, does not include children. It applies only to women, he said.

MURDERER OF MISSING GIRL DIES IN CRASH

PHILADELPHIA (AP)—Homicide detectives said today the prime suspect in the murder of a young woman is dead, the victim of an auto crash.

The body of Rita Robinson, 23, a Philadelphia Transportation Co. cashier, was found Tuesday stuffed in a large plastic bag in an automobile agency in Northeast Philadelphia. She had been reported missing Sunday.

Police said the man had a record of sexual assaults on women. Officers said he was killed in an auto accident after Miss Robinson was reported missing.

It was not immediately determined if Miss Robinson had been sexually assaulted.

Detectives searched the suspect's car for blood stains but found none. They also were searching for the victim's shoes and stockings which had been stripped from her body.

WAS STRANGED

Police said the suspect was an employee of a contracting firm who was working at the auto agency as late as last Friday.

Police said Miss Robinson, daughter of Charles Robinson, former president of Transport Workers Union Local 234, had been strangled with what was described as a piece of blanket and was stabbed several times in the chest. She was bound from her head to her knees with ropes and encased in the plastic bag, police said, which then was lashed on the outside with a length of rope. Her green plaid gingham dress was rolled up to her waist.

HOOVER RESTS AFTER SURGERY

NEW YORK (AP)—Herbert Hoover's doctors say it may take some time to determine the nature of an intestinal growth removed in a three-hour operation. An announcement is not expected for two or three weeks.

Hoover, at 85 the nation's eldest former president, was reported resting comfortably in his suite at Columbia Presbyterian Medical Center. The hospital said he withstood the surgery well.

The growth, described by the hospital as a polypoid lesion in the upper intestine, was said prior to the operation Tuesday to have been of a type usually noncancerous.

After surgery, the hospital said: "We do not know at this time whether the lesion was malignant."

He entered the hospital for a routine checkup Aug. 20. On Monday, the day the impending operation was announced, he had sent his staff the manuscript for a new book on fishing, a lifelong hobby.

TOOK ADVICE AND MADE GOOD AS A MANAGER

WILLIAMSPORT, Pa. (AP)—The late Joe Devine, the famed New York Yankees scout, gave a young minor league baseball player this advice 12 years ago:

"As close as you'll get to Yankee Stadium will be on a postcard. But you will go further as a manager."

Frank Lucchesi, then 23 years old and only 5-7 and 150 pounds, took the advice after six years as a fill-in player in the Yankees' organization.

Today at 35 he is one of the most successful managers in the minor leagues with 12 years experience and three pennants in a row for Philadelphia Phillies farm teams.

WINS 3RD PENNANT

Lucchesi's third pennant came Tuesday night when his Williamsport Grays won the Class A Eastern League title by sweeping a doubleheader from York, 11-1 and 5-4.

Lucchesi's 1950 Williamsport team also won the pennant and he was promoted to Chattanooga of the Class AA Southern Association in 1961 where he won the pennant there. But when that league folded he was brought back to manage Williamsport this year.

Devine had known Lucchesi ever since he was a kid. Both lived in the same area in their native San Francisco and Devine had watched Lucchesi grow up through American Legion baseball.

MANAGED MEDFORD

It was after the 1950 season when Devine told Lucchesi he didn't have it as a player.

"Do you think I'm too young to manage?" asked Lucchesi.

The following morning Lucchesi had a job as manager of the Medford, Ore., team of the now defunct Far West League. He was hired on the recommendation of Devine and in 1951 began his managing career.

Lucchesi isn't discouraged that he isn't managing in the majors yet. This is still his big ambition.

"I'll keep battling and bide my time," he says.

He gets a great deal of enjoyment out of watching some of the players he managed make good

20-Cent Bus Fare Adopted In York

HARRISBURG (AP)—The Public Utility Commission gave the York Bus Co. the go-ahead Tuesday to drop its bargain 18¢ cent token, starting next Sunday.

All other fares and free transfers will remain unchanged.

The company said it will continue to use the tokens, but at the full 20-cent fare. It also plans to redeem the tokens now in use.

The revision is expected to produce \$6,700 a year in extra revenue for the firm. In 1961, the company showed a net loss of \$26,100. Despite a fare increase last Jan. 14, it reported an operating deficit of \$8,650 for the five-month period ended May 31.

Major League Stars

By THE ASSOCIATED PRESS

BATTING—Norm Siebern, Athletics, drove in five runs with two homers and a single in 10-5 loss to Los Angeles Angels, becoming the first American League to knock in more than 100 runs with a 101 total.

PITCHING—Al Jackson, Mets, limited Philadelphia to three hits in 2-0 first game triumph, recording his fourth shutout—and the Mets fourth. The Phils won the nightcap 10-1.

In the majors such as Art Mahafey, a top notch pitcher with Philadelphia.

Lucchesi explains his philosophy of managing this way:

"There are two or three things. You have to have something to work with. You have to make the players feel important. Don't overmanage and don't overcoach. I tell the players forget I'm around and go out and do the job."

"The big thing—if I had to point one thing out—is knowing your players and playing according to what you have. We won the pennant in 1960 (at Williamsport) with speed."

"We had Ted Savage (now with the Phillies) and others and played a running game."

"At Chattanooga we had left handed power so we played for the big inning."

"This year we had speed and some power so we used both."

BUMS BATTER REDS 8-1 FOR 18 OUT OF 20

By MIKE RATHET

Associated Press Sports Writer

The Los Angeles Dodgers continued their amazing winning habit in their new ball park Tuesday night, turning back the third-place Cincinnati Reds 8-1 in the opener of a key three-game series with the defending champions for their 18th victory in the last 20 home games.

Home runs by Tommy Davis and Duke Snider, blended with the eight-hit pitching of Johnny Podres, boosted the Dodgers lead over the Reds to 5½ games and maintained their 2½ game edge over runner-up San Francisco.

The Giants kept pace by riding Juan Marichal's six-hit pitching and home runs by Willie Mays and Harvey Kuenn to a 4-3 triumph over Milwaukee.

BUCS EDGE CUBS

Pittsburgh edged the Chicago Cubs 7-6 on Bill Mazeroski's eighth inning homer, Houston defeated St. Louis 4-2 and New York and Philadelphia split. The Mets won 2-0 behind Al Jackson's three-hit performance before the Phillies took the nightcap 10-1 on Dennis Bennett's six-hit pitching.

Mays' 39th homer and Kucan's two-run shot off Braves' starter Bob Shaw gave Marichal (17-9) a 3-0 lead he held with one-hit hurling for six innings. Del Crandall's three-run homer in the seventh brought about a deadlock the Giants quickly broke in their half against Carl Willey (1-5) on a walk to Chuck Miller, a single by Orlando Cepeda and Felipe Alou's groundout.

TRAILED 6 TO 1

Trailing 6-1, the Pirates came back to tie on Roberto Clemente's two-run third-inning triple, Bill Virdon's homer in the fifth and Smokey Burgess' second sacrifice fly in the seventh. Mazeroski then clinched it with a shot off the left field scoreboard clock, tagging Cub reliever Don Elston (4-8) with the loss and giving Diomedes Olivo (5-1) the victory.

Bob Bruce (8-8) and reliever Don McMahon, who retired all 11 men he faced, combined for a five-hit pitching job that pulled the Colts to their third straight victory.

Charley Neal stroked two run-scoring singles and that was all Jackson (7-17) needed to whip the Phils in the opener, pitching six and the Mets' fourth shutout. Chris Short (8-8) allowed only seven hits but took the loss. Bennett (6-9) turned things around in the nightcap as Don Demeter drove in three runs to pace a 13-hit Phils' offensive that beat Robert L. Miller (0-11).

Bolt Jayvees To Play Six Games

A six-game schedule for the Littlestown High School junior varsity football team was announced today by Jack Bream, athletic director.

Drysdale Battles Joey Jay Tonight

LOS ANGELES (AP)—The intriguing struggle of 20-game winners resumes tonight in Dodger Stadium between Los Angeles and Cincinnati.

The Dodgers whipped the Reds 8-1 Tuesday night, and tonight it will be their ace, Don Drysdale, in search of his 23rd win of the season against one of Cincinnati's two 20-game winners, Joey Jay.

A year ago Cincinnati came into town to meet the Dodgers, who were leading the National League at the time, as they are today.

Fred Hutchinson's Reds swept the three-game series and went on to win the pennant, while Los Angeles settled for third behind San Francisco.

The Dodgers are still 2½ games in front of the Giants and the Reds now are 5½ games off the pace.

Clemson's new basketball coach is Bobby Roberts, 34, a native of Pelzer, S. C., who coached the Clemson freshmen for four years.

MANTLE BELTS 399TH HOMER; WAGNER HITS 2

By JIM HACKLEMAN

Associated Press Sports Writer

A very timely home run by Mickey Mantle of the Yankees, a barrage of long-range cannonading by the Angels, another shut-out for left-hander Jim Kaat of the Twins — and the three-team tangle in the American League remains.

It's still New York by 3½ games over Los Angeles and Minnesota.

Mantle connected for his 399th lifetime homer Tuesday night, carrying the Yankees over Cleveland 2-1. It came in the last of the fourth inning of the opener of a scheduled doubleheader with the Indians ahead 1-0. Rain came an inning later, washing out the rest of the program.

WAGNER BELTS 2

Leon Wagner hit homers 31 and 32 and Bob Rodgers, Lee Thomas and Felix Torres rapped one each in the Angels' 10-5 victory over Kansas City Kaat registered his fifth shutout of the season, clipping Chicago 2-0.

In the other AL game, left-hander Don Rudolph of Washington stretched his scoreless inning streak to 30 with a six-hitter as the Senators beat Baltimore 4-0. Detroit and the Red Sox were rained out at Boston.

The Indians' string of scoreless innings at Yankee Stadium stretched to 30 before Al Luplow game them a brief lead with a homer. The Yankees quickly powered ahead. Roger Maris drew a leadoff walk and Mantle slugged his 25th of the year.

3 BOMB HOMERS

The Angels drew even with the A's at 4-4 in the fourth inning when Thomas, Wagner and Rodgers bombed homers in succession off loser Mo Drabowsky, then wrapped it up in the sixth with a four-run burst keyed by another homer by Wagner and Torres' belt. Dean Chance won his 12th, with help from Dan Osmiski and Ted Bowfield.

Despite the winners' 15-hit barrage, Norm Siebern of the A's took individual batting honors. He knocked in all five Kansas City runs with a pair of homers and a single, raising his league leading RBI total to 101.

Kaat pitched in and out of trouble repeatedly against the White Sox as the Twins handed a hard luck loss to 42-year-old Early Wynn, seeking his 29th victory. Despite an outlay of nine hits and three walks and a Minnesota error, Kaat ran his record to 14-12 and fanned his way through his 13th complete game.

Wynn, now 6-11 for the year, permitted just four singles, but lost it with one shaky inning.

Rudolph, 8-6 for the season, was given a run to work with in the first inning when Chuck Hinton triples after a single to Bob Johnson. The Senators netted an unearned run off loser Jack Fisher in the fifth, then reliever Mil Pappas dealt up a homer to Harry Bright in the eighth following Johnson's third single of the night.

Eagles Cut Veterans Via Waiver Route

HERSHEY, Pa. (AP)—"I think I can play for another National Football League club. I'm just going home and wait for 72 hours."

That was the reaction of Jess Richardson, 32-year-old defensive tackle of the Philadelphia Eagles, after the front line defensive player who helped the Eagles to the title in 1960 was released on waivers Tuesday along with Will Renfro and rookie back Jim Barber of SMU.

A group of Biglerville High School football candidates are shown polishing up on blocking tactics against a "dummy" under the critical eye of Don Sterner, line coach (center with baseball cap). The Cannors, a new member of the Blue Mountain League, will open their 10-game schedule Friday evening, September 14, when they meet Big Spring, last year's titlist, at Biglerville. (Times photo)

Canners Eager To Play In Blue Mountain Loop; 10 Vets On 49-Man Squad

"I think it will be a lot better playing schools our own size," Jack Emanuel, head football coach at Biglerville High School, said concerning the Cannors' participation in the Blue Mountain League for the first time this season.

"The competition will build more spirit among our own kids by playing in this conference," Emanuel said. "I look for the teams to beat in the league to be East Pennsboro and Shippensburg, although many of the league coaches are looking for things from Gettysburg."

As far as Emanuel's Cannors are concerned, they will incorporate the split-T with variations and will have 10 solid lettermen managing the system. Out of the 11 starting berths and 49 candidates for the sport as it starts its second full week, the hottest battle for a post is fullback. The Cannors have two veterans battling for the post, senior Bill Slaybaugh, 5'10", 193 pounds, and Fred Hartman, a 5'8", 175-pound junior. Both men are equal in ability and will give the Upper Adams School and extremely strong position.

Another fine tussle is going at the guards, with four men vying for the starting honors. Wayne Ogburn, the only letterman at that position, is receiving real opposition from juniors Don Heckman and Don Linard and sophomore Mel Mentzer.

MISS GUARDS, TACKLES

The interior portion of the line appears to be the weakest. The cannors lost both starting guards and tackles of a year ago and consequently the candidates this season will be inexperienced and thin in depth. The team strength will be at ends and in the backfield with the center of the line able to hold its own.

SOPHS PROMISING

Emanuel considers tackle Gary Beamer, guard Mel Mentzer and halfback Rikie Fair as the Sophomores to watch if they continue their blistering pace through the regular season. All three have been learning their duties quickly and by the end of the year could be among the starters.

Emanuel said, "The spirit has been fairly good, but right now with the second week getting underway, we are experiencing a let down which is usual around this time. As far as an overall picture of the team is concerned, we do lack the necessary experience despite the ends and backs being in good shape."

Emanuel and assistant John Toggas are working with the backs while Don Sterner and Parker Cable are tutoring the forward wall.

Colts Will Try Whammy On Phils

HOUSTON, Tex. (AP)—Young Kid Dugan, the hex man from Hot Springs, Ark., has been engaged by the Houston Colts to put the whammy on the Philadelphia Phillies in a three-game series opening Monday. Houston never has been able to beat the Phils.

Dugan said by long distance telephone he has already gone to work for the Colts.

"I had my transcontinental eye working for them Sunday in the Cincy series," Dugan said. "I concentrated on Frankie Robinson, the Red's star, and put the whammy on him good."

"This was good practice for me and I've got a certain player picked out on the Philly team that I am already working on."

The Phillies have beaten the Colts 15 straight games.

Paraplegic Surgeon From India Is Confined To Chair

By JOY MILLER
AP Women's Editor

NEW YORK (AP)—"I'm completely independent now," said Dr. Mary Verghese with a shy smile. "I feel equal to anything."

She was sitting in a wheelchair that she had just maneuvered skillfully down the hall at New York University's Institute of Physical Medicine and Rehabilitation. With long, supple fingers she smoothed the white medical jacket she wears over her sari and settled back to discuss her work.

Dark-haired Dr. Verghese is a paraplegic surgeon from India, who does operations from her wheelchair. Now 37, she is finishing up resident training at the institute on a World Rehabilitation Fund fellowship, working with rehabilitation patients who always look up and smile at the gentle, soft-spoken doctor wheels up alongside.

ACCIDENT IN '54

"I can understand their problems better than the person who hasn't had to undergo physical rehabilitation," she explained. "Immediately after the accident I didn't believe I could do any useful work at all. Now I'm encouraged," she said.

The car accident occurred in 1954, when she was just two years out of medical school and specializing in obstetrics at the Christian Medical College and Hospital at Vellore, South India. The hospital staff was on its way to a picnic.

LIBEL WINNER GETS NEW SHOT ON CBS PANEL

NEW YORK (AP)—John Henry Faulk, who won a \$3.5 million judgment in a libel suit against Aware Inc., and codefendants, makes an appearance next week for the Columbia Broadcasting System, which fired him after he was linked to communism by a 1957 Aware Pamphlet.

Faulk will be a guest panelist on "To Tell The Truth," a CBS television show. He was invited by Mark Goodson of Goodson-Todman Productions, which produces the program.

It will be his initial appearance on a New York station since WCBZ canceled his afternoon radio show five years ago. He is due to make five appearances on "To Tell The Truth," from Monday to Friday at 3:30 p.m.

GOODSON WAS WITNESS

Goodson was one of many witnesses at the Faulk trial in state Supreme Court here. The producer testified that Faulk would have been earning between \$150,000 and \$300,000 a year if he had still been in television.

Aware calls itself an organization incorporated "to combat the Communist conspiracy in entertainment-communications."

At the trial, which ended June 28, Faulk contended that Aware had caused him to be blacklisted and had prevented him from working in the radio-television industry by damaging his reputation. Faulk, who begins taping the shows today, said he had no radio or television commitments beyond this one-week appearance on the panel.

AUDIENCE IS SMALL AT N.Y. RED CLASSES

NEW YORK (AP)—Dr. Fred C. Schwarz's five-day New York School of Anti-Communism opened to a small enrollment which one official of the campaign called disappointing.

Only about 400 persons attended the morning and afternoon sessions Monday. The evening session started in Carnegie Hall with about 300 persons present, but the attendance increased to about one-fourth of the hall's 2,760-seat capacity.

Schwarz, 49, a Baptist lay preacher and a physician, has conducted similar schools in various parts of the United States.

SCHOOL LIMITED

He told the audience here that his school limited itself "to giving knowledge of the pathology of communism so people with specific knowledge of local situations will be able to apply this."

James D. Colbert, vice president of the organization, said the New York venture would cost \$75,000-\$100,000, including meetings here April 14 in Manhattan Center,

trip through the West.

Mr. and Mrs. Elmer Miller and family, Harrisburg St.; Mr. and Mrs. Fred Myers, and family, R. 2; Lester Herman, East Berlin, and Linda Blevins vacationed recently at Atlantic City.

and June 28 in Madison Square Garden.

Colbert described the initial enrollment as disappointing and said: "We are running a deficit. If it were not for the constituents who have supported us in the rest of the country we wouldn't have been able to operate."

Enrollment charges are \$5 for one day or \$20 for the full series.

ENGINEERS WANT MORE

WASHINGTON (AP)—The U.S. Army Engineers asked Congress Monday for authority to spend \$5 million more on comprehensive development of the West Branch of the Susquehanna River in Pennsylvania from next July 1 through June 30, 1965.

Admits His Anger Led Him To Arson

ATHENS, Tenn. (AP)—Fire chief Bill Knox said Robert Miller, 22, of Etowah, Tenn., told him that he became angry last week-end when he came home, found all the doors locked and his mother gone.

Knox said Miller signed a statement admitting he set fire to the house, two automobiles, two out-buildings and several acres of timber. Miller was charged with arson.

Jim Procopio, halfback candidate for West Virginia's eleven, hit .366, caught and played center field for the Mountaineers' baseball team last spring.

TO PROBE ICC, RAIL MEETING ON NEW MERGER

WASHINGTON (AP)—A Justice Department lawyer says he is "duty bound" to find out what went on when three Interstate Commerce commissioners met last fall with top officers of the merger-minded Pennsylvania and New York Central Railroads.

Joseph V. Gallagher told two ICC examiners Monday the Justice Department "doesn't take any position on whether this is an ex parte representation or not." Ex parte means an improper attempt to influence a government regulatory agency.

But Gallagher said he must seek facts about what happened at the meeting "for any use" possible later.

James M. Symes, Pennsylvania board chairman, told Gallagher the meeting took place four or five months before the merger bid was formally put before the ICC last March 9.

"NOTHING IMPROPER"

Symes, winding up a week of testimony at the examiners' hearing on the merger proposal, said there was nothing improper about the advance meeting.

Symes said he and Alfred E. Perlman, president of the New York Central, met with the commissioners to let them know that the two railroads had resumed merger talks, which were broken off in 1959 after a 13-month study.

The Pennsylvania chairman, who said Friday two ICC members were at the meeting, upped the figure to three Monday under continued cross-examination by Gallagher.

Symes identified them as Kenneth H. Tuggle, John W. Bush and Donald P. McPherson. But he added he wasn't certain McPherson was the third man.

HAD NO OPINION

The ICC has 11 members. The commission members gave no indication of approval or disapproval of the merger plan, Symes said. He said the railroad officials made no attempt to influence them at the informal session.

Perlman followed Symes to the witness chair, and told the examiners the Pennsylvania-Central merger is "the keystone of the establishment of three balanced, competitive systems in the East."

"This merger application seeks to preserve competition," he said. "Its denial may well destroy competition."

Symes had suggested a "big three" plan as the solution for financially troubled railroading in the East. The three systems, based on mergers proposed to the ICC, would be built around the Central-Pennsylvania, the Baltimore & Ohio and Chesapeake & Ohio, and the Norfolk & Western and Nickel Plate.

CITES SAVINGS

Perlman said the Pennsylvania-Central merger would save more than \$81 million a year. Earlier estimates had put savings at \$75 million.

The savings would not mean curtailment of rail service, Perlman said. "Of the 28 communities of over 50,000 population now served jointly by the Pennsylvania and Central, none will be reduced to single railroad service," he said. "In every case, the community will have the service of another carrier by rail."

Perlman said the Central has modernized its physical plant with capital investments totaling \$390 million, and has reduced its long-term debt by almost \$200 million during the past five years.

"The hundreds of millions of dollars invested in Central have been the only possible course of survival," Perlman said. "Had we not modernized and mechanized and automated to the extent we have, the question of the Cen-

HEAVY RAINS BRING FLOODS IN STATE AREA

By THE ASSOCIATED PRESS

Heavy rains fell in parts of Pennsylvania Monday night and today, causing severe flooding, a landslide and power failures.

The Weather Bureau in Philadelphia said that a weak cold front which moved eastward through Pennsylvania Monday together with a trough of low pressure from Alma, the first tropical storm of the season, caused 1 to 2 inches of precipitation in southeastern Pennsylvania during the night.

One of the hardest hit areas was Shamokin in central Pennsylvania.

CAUSES LANDSLIDE

The Reading Railroad reported that rain caused a landslide which showered earth and rock over three tracks northeast of Shamokin. Crews went to work immediately to clear the tracks.

State police reported that several roads in the Shamokin area were partly blocked for a while. Power at the Shamokin Hospital was off for about an hour but the hospital still had emergency power. The fire alarm also was reported out at the Shamokin Police station. Unofficial estimates placed the rainfall at about 4 inches.

A torrential downpour flooded Bloomsburg, causing some power failures in that community. The rainfall was measured at 4.33 inches during the five-hour storm.

HEAVIEST FALL SINCE 1912

Iuen Dohyans, the community's unofficial weatherman who has kept records for 50 years, said it was the most rainfall in so brief a period since about 1912.

The storm also knocked out power in Shickshinny, about 10 miles north of Bloomsburg. Severe flooding was reported in Danville.

Streets in Philadelphia also were flooded, particularly in the Frankford area. Roosevelt Boulevard underpasses were flooded and some traffic was detoured. The Weather Bureau reported that .63 inches fell in the city over a 24-hour period ending at 2 a.m.

RETIRE COP FACES CHARGE AFTER AUDIT

SCRANTON, Pa. (AP) — A retired Scranton police sergeant has been arrested on charges of forgery, embezzlement and larceny in connection with a \$10,000 shortage in the Pennsylvania Lodge of the Fraternal Order of Police.

The arrest of John F. Keiper, 48, was disclosed Monday. He had been state treasurer of the organization from 1954 until removed last January. The shortage was disclosed by an audit.

Keiper was accused of a \$4,000 forgery on the name of William Dougherty. FOP state financial secretary, to a withdrawal from the Scranton National Bank last Sept. 13. The other charges resulted from his allegedly misappropriating FOP funds in his custody in 1960 and 1961 while he was treasurer.

Transcripts in the Lackawanna County Courthouse showed Keiper had been under \$500 bail on the embezzlement - larceny charges since May 31 and under \$500 bail on the forgery charge since Aug. 7. The charges were not filed immediately because of the FOP reportedly gave Keiper a chance to make full restitution.

TO HEAR PETITION

EBENSBURG, Pa. (AP)—A petition to oust Frank Burns as county commissioner will be heard in Cambria County Court Sept. 5.

Burns is contesting a petition filed by Dist. Atty. Ferdinand Bionaz. Burns is serving a 4-to-10 year term in prison for embezzlement and extortion.

TO WARN MOTORISTS

HARRISBURG (AP) — Eleven speedometer cruisers will patrol Pennsylvania's highways Labor Day weekend to encourage and remind motorists to drive safely.

State Traffic Safety Director O. D. Shipley announced Tuesday the cruisers—all equipped with oversized roof-top speedometers—will be on the road from 6 p.m. Friday until midnight Monday.

OPPOSED BID

Perlman joined Symes in opposing the bid of the bankrupt New Haven Railroad for a place in the Pennsylvania-Central merger.

The Central president said he thinks the solution to New England railroad problems is a single system, which would have access to the three proposed trunk lines.

Joseph Auerbach, counsel for the New Haven, said he believes that proposal came primarily from the Central, and may have been advanced as a way of blocking the New Haven's petition for inclusion in the merger. Perlman said on that score, Auerbach was "just as wrong as he can be."

"It is about time New England railroads help themselves before crying for some papa to take them over," Perlman added. "New England sits on its chair and watches the rest of the world go by."
